

CURRICULUM VITAE

Cali Werner, LCSW
E-mail: Cali@athleterising.org
Phone: (713) 702-8641

Education

Baylor University, Houston, Texas May 2021 – Current

PhD Student

Research Focus: Mental Health in Competitive Sport; Post-Olympic Blues;
Superstition and OCD in Athletes

GPA: 3.92

Baylor University, Houston, Texas May 2019

Master of Social Work

Specialization: Clinical Social Work – Obsessive-Compulsive Disorder

GPA: 3.92

Rice University, Houston, Texas May 2017

Bachelor of Arts in Sports Management

GPA: 3.78

Research/Clinical Interest

Psychosocial behaviors of elite athletes, Anxiety Disorders, Obsessive Compulsive Disorder (OCD), and athletics, access to care, mental health stigma, implementation and access to evidence based mental health interventions, treatment disparities among minority populations

Employment

Athlete Rising, LLC, Houston, Texas March 2022 – Current

Behavioral Therapist and Founder of Private Practice with primary caseload focus on competitive athletes with anxiety disorders

www.athleterising.org

- Facilitate home visits, virtual telehealth sessions, and in person sessions for children, adolescents and adults with OCD and related disorders
- Engage in educational talks to coaches and athlete support staff at Texas colleges and schools focused on recognizing anxiety in athletes and providing appropriate resources for evidence-based care

Baylor School of Social Work, Houston, Texas August 2021– Current

Graduate Student Fellowship

Supervisor: Danielle Parrish, Ph.D.

- Develop protocol materials to train providers on interventions for adolescent teen girls at risk of substance exposed pregnancy (SEP)
- Screen study participants for SEP study and provide intervention

Updated: April 2023

Werner

- Compose and collaborate on manuscripts for student's research area of interest: *mental health in athletes*

Adjunct Professor, Houston, Texas

Adjunct Professor at Baylor University and University of Saint Thomas

- University of Saint Thomas: Teaching Sport Psychology course to undergraduate students: sport psychology in practice (Summer semester, 2023)
- University of Saint Thomas: Teaching Abnormal Psychology course to undergraduate students: diagnostic criteria, treatment, theories (Spring semester, 2023)
- Baylor University: Teaching Evaluation of Practice in Social Work Master's Program (Fall semester, 2022)

McLean OCD Institute // Houston, Houston, Texas

June 2019 – March 2022

Lead Family Therapist and Behavioral Therapist

Supervisors: Elizabeth McIngvale, Ph.D., Throstur Bjorgvinsson, Ph.D., Stacey Brittain, LCSW-S

- Facilitate outpatient treatment for children, teens, and adults as well as partial hospitalization (PHP) and residential treatment for adult patients with OCD or related disorders (e.g. Social Anxiety, Specific Phobia, Generalized Anxiety Disorder) and their families
- Develop treatment plan for all patients and instruct Residential Counselors on how to implement the interventions outlined for each patient
- Utilize evidence-based Exposure and Response Prevention (E/RP) and Cognitive Behavioral Therapy (CBT)
- Attend weekly supervision with Dr. Elizabeth McIngvale and Dr. Throstur Bjorgvinsson
- Lead weekly group therapy sessions on reducing family accommodations to develop independence
- Responsibilities: Obtained 478 outpatient hours as of May 11th, 2020
- Maintain caseload of 20+ individual patients per week
 - This includes weekly family therapy sessions with all residential and PHP patients
- Co-developed and lead sliding scale ERP Maintenance Group
- Participate in weekly multidisciplinary treatment team meetings
- Supervise Social Work Interns

Outreach Coordinator

- Lead 3-hour CE psycho-educational workshops on OCD and its treatment at different clinics and schools
- Provide tours of our clinic
- Participate in marketing efforts for the program as well as attend networking events

Research Coordinator

- Facilitate poster submissions for IOCDF Annual Conference
- Construct ideas for manuscripts and assist to coordinate, create and facilitate submissions

Updated: April 2023

Werner

Peace of Mind Foundation, Houston, Texas

June 2019 – October 2019

Administrative Coordinator, Advocacy

- Applied and received \$10,000 in grant funding for OCD advocacy and research
- Led online OCD support groups and in-person support groups, which met four times a month
- Provided mental health resources to individuals globally
- Led OCD 101 educational talks to school counselors and clinicians to inform them on evidence-based treatment for OCD
- Co-led and facilitated advocacy events

Baylor College of Medicine, Houston, Texas

June 2018 – June 2019

Research Coordinator & Clinical Intern

Supervisors: Eric Storch, Ph.D. and Elizabeth McIngvale, Ph.D.

- Measured OCD severity through validated empirical severity assessments
- Assisted with data entry
- Created and developed IRB submissions
- Engaged in research related to OCD, anxiety disorders and autism spectrum disorders (ASD)

Houston OCD Program, Houston, Texas

December 2016 – May 2018

Residential Counselor

- Implemented Behavioral Therapists' treatment plan to adolescent and adult patients through ERP guidance and support
- Educated patients on the benefits of CBT with ERP
- Facilitated morning mindfulness group therapy sessions
- Attended clinical rounds to discuss patient progress and treatment plans
- Implemented treatment plans and relapse prevention with patients

Houston Behavioral Healthcare Hospital, Houston, Texas

June 2017 – May 2018

Social Work Intern

Supervisors: Jason Komar, LMSW, LCDC, MBA and Alberto Cabrera, LMSW

- Facilitated group therapy sessions for client with primary diagnoses of Schizophrenia, Bipolar Disorder and other related mood disorders
- Taught and practiced emotion regulation skills with patients
- Provided direct patient care including intake and discharge planning
- Completed clinical documentation (i.e. patient charting)

Crosspoint Church, Houston, TX

October 2015 – May 2016

Sunday School Teacher

- Developed a bible study lesson plan for children in first grade
- Led weekly activity for children focused on teaching them about the bible

Grants

Treatment of Anxiety in Autism

#1R01HD080096 8/1/18 – 1/1/2021, Treatment of Anxiety in Autism, National Institute of Child Health and Development; Role of **Independent Evaluator**
